

## **Medicare Explained Gatherings**

**Would you be interested in hosting a Medicare Explained Gathering at your home or chosen location?  
Do you have a group of friends you gather with regularly whom would benefit from our services?**

Our agents are available for in-home or on location Medicare explained presentations. During these intimate gatherings our agents will provide lunch for your group as well as answer any questions they may have regarding this very confusing topic. There is no obligation to buy but for each attendee who does sign up with us and gets approved, we will honor our \$25 gift card referral to you. We truly value you as our clients and know that referrals and word of mouth are the greatest reviews we can receive!

**Please call 888-599-0575 today and set up your Medicare Explained Gathering with your agent.**
